

**White Space Architecture's Taunya Nelson, AIA, CID**, received her Bachelor of Architecture from Iowa State University in 1996. Along with being on the Dean's List and a member of the Golden Key Honor Society, Taunya was awarded the HLM Scholarship, the AIA National Foundation and the SDSAIA scholarships. Taunya began her career in Kansas City, Missouri, focusing on a wide variety of commercial and residential project types. After moving to Minneapolis, her focus turned toward residential work, culminating in the creation of White Space Architecture in 2006. Taunya is a registered architect and certified interior designer in the State of Minnesota and is NCARB certified.
